filmJet
MiNi series

All-in-One DTF Printing System

Grow your business with the all-in-one Direct to Film system designed for **speed**, **quality** & **simplicity**.

polyprint®
GARMENT PRINTERS

Easy. Compact. Reliable.

filmJet
MiNi series

- The Filmjet Mini is a complete DTF printing solution designed for small to medium businesses.
- It delivers consistent, high-quality results with **no need for extra equipment** or complex setup.
- Whether you're just starting or upgrading your small shop, Mini Filmjet simplifies your workflow.

QUICK PRINT
Drop your files via USB, network, or send directly from your smartphone over WiFi.

EASY TO USE
Simple interface, short learning curve. All settings accessible from a color touch-screen panel.

ENERGY EFFICIENT
Low energy consumption – less than 1 kW while in use

SMALL FOOTPRINT
Compact design fits into tight shops – 1,3 m2 of space for Mini30 and 1,7 m2 for Mini60. Fits though standard doors.

SILENT OPERATION
Reduced noice of shaking blade and print head carriage.

ALL-IN-ONE
Includes:
- DTF Printer
- Powder Applicator
- Oven
- Air Filter
- Built-in Mini PC
- Pre-installed software

- ✓ **WET CAPPING AND WHITE INK CIRCULATION.** Prevents clogging and ensures consistent performance.
- ✓ **PRINT HEAD PROTECTION SYSTEM.** Extends head life with advanced protection.
- ✓ **MOTORISED PINCH ROLLER.** Easy and precise film handling.
- ✓ **VERTICAL OVEN.** Smooth powder curing with 5 heating elements.
- ✓ **PRE-HEAT:** Print heater under the print plate and post heater for quick ink drying

Why Choose Mini Filmjet

✓ **Affordable & reliable:** The cost-effective solution to start in the DTF market.

✓ **Backed by Polyprint:** Supported by our 20 years of digital printing expertise and extensive dealer network.

✓ **Warranty included:** Your investment is protected with a 1-year warranty including the print heads.

FILMJET DTF CONSUMABLES

Polyprint's Filmjet consumables (films, powders, inks) are fully compatible, ensuring reliability, consistent quality, and maximum printer uptime.

DTF FILM

Anytime peel. Filmjet Films deliver reliable, high- quality transfers for any DTF application.
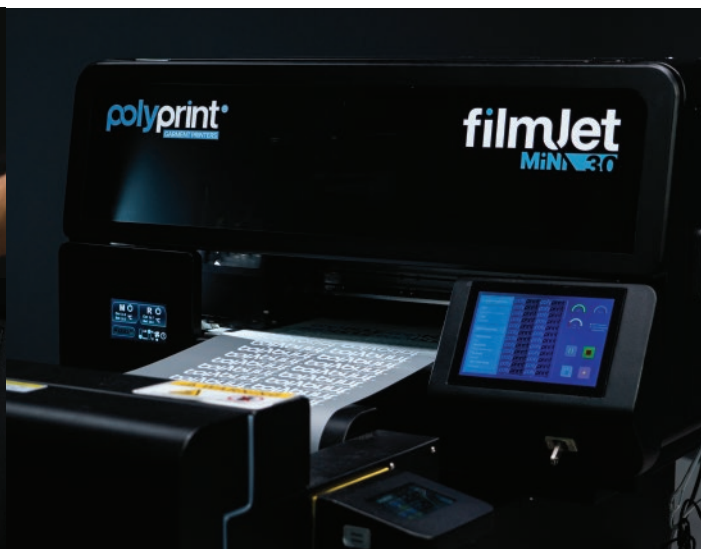

DTF INK

Developed for reliability and consistency, Filmjet Inks Series delivers vibrant colors, deep blacks, and superior white opacity with less ink.

DTF POWDER

Filmjet hot melt adhesive powder ensures a soft, flexible finish with superior adhesion to synthetic and natural fabrics.

WHO BENEFITS

✓ Small-to-medium businesses wanting to bring production in-house.

✓ Shops with limited space or budget.

✓ Entrepreneurs needing quick turnaround and full control of quality.

Print Easy.
Print Smart.
Print Anywhere.
